

NATIONWIDE PROACCOUNT®

New tool offers retirement readiness score tailored to each Participant.

Recognizing that just 29 percent of retirement plan Participants know how much they need to save for retirement,¹ Nationwide® offers a quick, easy way for you to find out. Available in March, our new Retirement Readiness tool is Nationwide's latest enhancement to My Interactive Retirement PlannerSM.

Using just four pieces of information that you easily provide, our new Retirement Readiness tool gives you:

- **Tailored retirement score**
- **Projected monthly income, including payouts² from:**
 - Deferred compensation
 - Pension
 - Social Security
- **Desired income and projected income gap**
- **Actionable next steps to resolve your gap**
- **Retirement Readiness Report as downloadable and printable file**

Once you log on to your account, you'll see a Retirement Readiness meter that immediately gives you a sense of how well you're preparing for your future financial needs. You can walk away with meaningful next steps within just a few seconds, or use My Interactive Retirement Planner to help to dig deeper, test-driving various scenarios to further personalize your retirement outlook.

When you have arrived at a projection you like, you can have the tool prepare your Retirement Readiness Report and put your initial steps into action right away. The Report is designed to help you understand your current status towards your retirement goal, and give you actionable information you can use to improve that status. You can easily access this report anytime for a robust and personalized discussion with your Nationwide Retirement Specialist or financial advisor.

To get started, just log on to your Nationwide retirement account.

¹ "Participant Proposition," StratCap Partnership (2010).

² Unless directly provided, pension and Social Security income are projections based on other information provided by the Participant.
